# AUTOPRINT® Reel-to-Reel Label Printer

The AUTOPRINT® Reel-to-Reel Label Printer provides an ideal table-top platform for coding labels just-in-time using a Markoprint thermal inkjet coder. The reel-to-reel mechanism allows you to simultaneously print, count and rewind label stock.
The system easily prints date codes, lot/serial numbers, barcodes and logos.
Features & Specs

- Print text, barcodes and variable counters
- Secured DB-9 printhead connector
